

# WELCOME

*Our dental team is happy to welcome you to our practice. We are pleased you have chosen us to help you care for your dental health. We are committed to providing you with the highest quality of dental care.*

*The first visit to our office will consist of a complete oral examination. We will be taking only the necessary x-rays and performing any other tests needed to make a complete diagnosis of the conditions of your mouth, teeth, gums, jaw, joints, and muscles. We will then be able to determine what treatment is necessary for your dental healthcare.*

*We understand your time is valuable. We will always do our utmost to respect your time, and do our best to see you on time for your scheduled appointment. However, we do ask that you understand this is a medical facility and emergencies do arise. In order to keep the schedule running smoothly and efficiently we require at least **48 hours notice** if you need to reschedule your appointment time. There is a **\$50.00 dollar "no show"**, or a "short cancel", fee that will apply to every appointment with less than a **24 hour notice**.*

*Please complete the attached health record and financial policy. If you have any questions, please do not hesitate to ask.*

*Thank you,  
Desert View Dental*
